TOWN PLAN REVIEW

NOVEMBER 8, 2017
6:00PM
TOWN OFFICE

PURPOSE OF HEARING: PUBLIC REVIEW FINAL DRAFT OF 2017 LEICESTER TOWN PLAN

TOWN PLAN INFORMATION:

STATEMENT OF PURPOSE:

The Leicester Selectboard adopted the first Municipal Town Plan in 1971. The 2017 update is not only a vision for Leicester's future, but a strategic road map for current and future planning decisions. Its purpose is to reflect the environmental, social, and economic issues and opportunities of the town, celebrate the many aspects of Leicester's unique character, and provide guidance for protecting and cultivating the things that residents value most. This update includes a new Enhanced Energy Plan.

Leicester's Town Plan serves a number of planning and legal purposes. It serves as a visionary guide for the town. As such, it should be a reference for town officials to aid their decision making processes. It establishes goals for action and implementation, and suggests specific implementation steps.
